MATTAPOISETT BEACH PROPOSAL

TOWN TO VOTE ON ACQUIRING SHORE PROPERTY

The Mattapoisett Conservation Commission plans to request an appropriation of \$1,950 for beachfront property on Mattapoisett Harbor when the matter comes up at the town meeting this week. The lined area on the accompanying map presents a rough outline of the shorefront property. Also part of the over-all plan is that portion of the old New York, New Haven and Hartford Railroad right-of-way running in an arc from Depot Street, arrow at top left, over Eel Pond and along the northern boundary of the proposed beach area. Arrow at top center of map points to Town Hall. Other points of interest include: 1. Town landing off Mattapoisett Neck Road. 2. Shining Tides owned by the New Bedford YMCA. 3. Reservation Golf Club course property. 4. Goodspeed Island.

The commission asks the town to acquire by eminent domain that beachfront between Goodspeed Island and land owned by the Reservation Golf Club, plus the old 100-foot wide railroad bed, from Depot Street to a point approximately 300 feet east of Reservation Road. Most of the land involved is made up of the railroad right-of-way, which is claimed by the town. The requested \$1,950 is for parcels owned by Reservation Golf Club and the Harold D. Mahoney Estate, plus legal contingencies. The appropriation request figure is based on a study of two appraisals and was recommended by Town Counsel Leonard E. Perry. It would reflect 8 cents on the 1966 tax rate.

The commission stresses that the beach area is the last extensive piece of shorefront in town suitable for future use and still undeveloped. Members believe the property should be acquired now, while costs are reasonable, to insure its availability in the future.

It is intended that access to the beach be by Depot Street and along the railroad bed, which crosses Eel Pond to the shore. An easement for utilities only also is sought from Reservation Road, through property of the golf course, to the beach area.

There are no plans for development or an access road and, although the commission is sponsoring the article, future jurisdiction would be under the office of Selectmen.

The article is similar to one presented last year, with the exception that a 300-foot buffer east of Reservation Road is to be retained by the golf club in an effort to ease traffic on the road which bisects the playing area. Fear of increased traffic was one of the major reasons the golf club opposed the proposal at last year's town meeting.

ORRHS STUDENT WINS THIRD PLACE

Michael G. Martin, son of Mr. and Mrs. Edgar Martin, of New Bedford Road, Rochester, and a senior at the Old Rochester Regional High School, won third place in the American Legion District Oratorical Contest held at East Bridgewater. Winners of local high school contests from the Counties of Plymouth, Duke, Norfolk and Barnstable participated in the contest.

A contest was conducted in each school and each winner was sent to compete against the winners from the various schools that took part.

BASKETBALL TEAM COMPLETES FINE SEASON

The Old Rochester Regional High School's basketball team has recently completed the most successful season in the short history of the school. The season's record was 13 wins and 7 losses, which was just one game away from Tech Tournament qualification. The team finished in a second place tie with Westport, both teams had 11-5 records in the tough Class C Narragansett League. The league was won by undefeated Holy Family High School of

New Bedford.

The success of this team was due mainly to the use of multiple defenses, rugged rebounding and the tremendous all-around play of Captain Miguel "Buster" Brito. Brito was an all-league choice at guard last year as a junior when he averaged 18 points a game, so he was

Having just turned 17, the 6'2", 190-pound Brito is an exceptional college prospect and it is felt by Coach Richard Norman that he is capable of playing on any college team in the country.

Also to be mentioned, was the fine play of senior forward, Donald Dorr, who excelled in rebounding and defense. Dorr set a single game rebound record of 24 vs Apponequet Regional High School and had a total of 231 for the season.

Another key man was junior guard, William Spark, who led the team in foul shooting with 45 for 65 and set a school record with 53 assists for the season.

CORSAGE MAKING DEMONSTRATED AT MEETING

The creation of a lovely carnation corsage for each member of the Rochester Woman's Club present was taught by Mrs. Clarence Perry of Rochester at the March meeting. Mrs. Perry supplied the kits and explained the basic principles of flower arranging, balance, color, design, focus, harmony, rhythm, scale and texture, all applied in varying degrees. Mrs. Perry, a new club member, demonstrated the various techniques using necessary materials of wire, tape, flowers and bows. Displayed were other corsages that she had created using unusual materials such as feathers, nylon materials, tropical leaves, cones and berries.

Mrs. Everett L. Hardy presided at the business meeting and Mrs. Ainsley White substituted for the secretary who was unable to attend. Donations were voted for the American Red Cross, and Hope Foundation. Mrs. Irving Ellis announced that she had tickets for the testimonial dinner which will be given for Mr. Andrew Burke, retired Rochester Highway Surveyor, who is re-

floor and will be Mmes. C. Condit Peirce, Albert Jenney and Ainsley White. After presentation of a new slate of officers in April, election will take place at the annual meeting on May 4.

A communication was read from Mrs. Madeline Cowell of Wareham, inviting club members to choose a date during 1966 when they would like to be guests of Tobey Hospital at an open house.

The balance of the meeting was devoted to a discussion of plans for the first annual antiques show sponsored by the club to be held on Friday, Saturday and Sunday, April 1, 2 and 3 from 1 to 9 P.M. on each day.;

Mrs. Everett Hardy and Mrs. George Church are co-chairmen of arrangements; Mrs. Irving Ellis, snack bar; and Mrs. Henry B. Smith, publicity and promotion. Co-managers, Louis O. St. Aubin of Acushnet and Albert Talbot of Rochester, are in charge of all other arrangements to assist Mrs. Hardy and will be exhibitors in the show. Both are well established in the antique business. Mr. Talbot has served as auctioneer at Rochester Woman's Club in past years. Additional club members are needed to serve in the snack bar and sell tickets.

Senator Allan F. Jones will be guest speaker for the April meeting which will be advanced to the 13th because of the antiques show during the first week. Hostesses will be Mrs. Hardy, Miss Thelma Pratt and Mrs. Robert Douglas.

The serving table was most attractive with a centerpiece of bronze and lemon-colored flowers. Mrs. Jenney and Mrs. Peirce were hostesses.

MISS WAREHAM SCHOLARSHIP PAGEANT

May 7, 1966 is the date; the Wareham Town Hall is the place; 8:00 P.M. is the time; and the event, the Second Annual Miss Wareham Scholarship Pageant, sponsored by the Wareham Chamber of Commerce.

Now that we have all the facts, let us consider the history of the Miss Wareham Scholarship Pageant. Originally the Miss Wareham Pageant was sponsored by the Wareham Chamber of Commerce at the annual clambake. In 1965 the Wareham Chamber of Commerce accepted a franchise from the State Pageant Committee to sponsor the Miss Wareham Scholarship Pageant as an official preliminary to the Miss America Pageant. The first Miss Wareham to compete in state competition was the very lovely Miss Maureen Fitzsimmons of Middleboro.

It is important that each of us should realize the Pageant's value to the area. To sum it up, it offers civic leaders the opportunity to work on a project of national significance, and also, through staging a beautiful and colorful Pageant, it is contributing to the social and cultural development of the community. The Pageant brings to the public's attention the personality, beauty, intelligence and talent of area high school and college girls who will become civic and social leaders of the community. To the contestant it offers educational opportunities through the annual scholarship program offered by the Miss America Pageant and the state and local Pageants, not to mention the exciting experience of preparing for and taking part in the Pageant itself. The publicity and good will

created by the Pageant brings state-wide and national recognition to the area, and spirit, understanding and cooperation between the youth and civic leaders of the community.

The purpose of the Pageant is simply this: TO SERVE THE COMMUNITY. Some of the people who are working very hard to make the Miss Wareham Scholarship Pageant for 1966 a success are the following committee chairmen: executive directors, Mrs. Emma R. Houle and Mr. Douglas S. Taylor; pageant director, Mrs. Rita Blair; scholarships, John T. Ranney; patrons, Eugene K. Baker; contestants, Mrs. Edward W. Coury; Queen's reception, Virginia Anastasi; program book, Roger T. McCormick; publicity, Anne P.
